

# OGUWA ICT MASTER DESIGN LTD

## CORE VALUES

Our core values are driven by the underpinning responsibility to our:

**Shareholders:** We consider ourselves successful only when we present financial results that deliver a return that is superior to our leading competitors.

**Customers:** We develop partnerships with our customers. We provide them with innovative leadership in solutions and services aimed at making them successful, on the basis of competitive price, quality and reliability.

**Employees:** We regard our employees as our most valuable asset. We treat them with respect; encourage self-expression, personal freedom and growth. Excellence in performance is sought and rewarded.

**Society:** We recognize that we are citizens within a society. We strive to be sensitive to social concerns, the community, the environment, and the various economic systems in which we conduct our business. We aim to be a positive contributor to Nigeria, the continent and the world as a whole.

Our range of solutions that has been focused on Municipalities, Government Agencies and Government Departments both at National, Provincial and Local level, and to the Private Sector.
